SALE OF ORNAMENTAL TURNING EQUIPMENT

AUCTION INFORMATION & RULES

1. This is an AUCTION for the disposal of ORNAMENTAL TURNING EQUIPMENT and allied items that are surplus to the needs of ornamental turners and collectors.
2. This is a CONTINUOUS auction and each item will remain on sale until a valid bid is made and an END DATE is reached, or unless the Lot is withdrawn by the seller.
3. If a bid of the START price or more is registered, the auctioneer may post notice of an END DATE. If no further bids are received by midnight (UK time) on the END DATE the current high bidder will be the winner. If further bids are received a new END DATE will be set and the under-bidder will be given the opportunity to make a counter-bid.
4. The minimum bid on each Lot is the START price if one is posted. Where a GUIDE price or a BUY IT NOW price is posted, a lower bid may be attempted, but the seller may decline it. If a BUY IT NOW option is listed a BUY IT NOW bid beats all under-bidders and closes the sale for that item.
5. The winner of each Lot will be the highest bidder, or the first bidder at a BUY IT NOW price.
6. To bid, just list the Lot Numbers and Descriptions of the Lots you are interested in and mark each one with your maximum bid amount; then email this information to the auctioneer at ornamental.turning [at] talktalk.net [but enter @ in place of at].
7. Bids will be acknowledged and current bids will be posted on the website. Your bid will be posted if it is higher than a previous bid. Your name will not be posted.
8. Bidding steps are £1 up to £10, £2 up to £20, £5 up to £100, £10 up to £200, £20 up to £500, £50 up to £1000 and £100 over £1000.
9. Lots located in UK are priced in GB Pounds and Lots located in North America are priced in US Dollars. Steps for dollar bids will follow the same number pattern as for pounds.
10. If someone bids above your current maximum you will be notified so you get a chance to bid again; except if the other person has bid a BUY IT NOW price. If there is no BUY IT NOW price the auction will continue until the under-bidder fails to make a counter-bid within a stated time limit.
11. After the END DATE no new bidders may take part.
12. Cost of packing & postage will be added and notified to the winning bidder and payment must be received and cleared before goods are sent.
13. If a buyer wishes to make payment by PayPal this must be agreed in advance and it will attract an additional charge of 5% to cover PayPal fees.
14. For large items that require collection or shipping the buyer will pay a deposit of 10% immediately and the balance on collection, or prior to packing and shipping at the buyer's expense.
15. Some sellers may not wish the price of an item to be generally published. In such cases the item may be advertised as: 'OFFERS INVITED' and an acceptable bid may be listed as 'UNDER OFFER'.
